EMPLOYMENT HISTORY

99 Ranch Market, San Diego, CA

2019 – 2020

Cashier

- Handled large volumes of cash, check, and credit card payments daily. Trained 13 new cashiers in business operations, equipment usage, and resolving customer issues, which improved customer service and efficiency of cashier processing.
- Created a detail-oriented procedure for processing different payment transactions and administering online orders.
- Identified pricing errors with products and made recommendations that significantly reduced future errors.

Sheng-Kang Orthopedic Clinic, New Taipei City, Taiwan

2014

Physical Therapist

- Managed the care and treatment of 150+ patients on a team daily. Assigned treatment plans for patients.

Chang Gung University, Taoyuan, Taiwan

2013 – 2014

Research Assistant

- Recruited subjects from outpatient clinics for research studies. Trained 3 graduate students on use of research equipment.
- Validated incoming data to check for accuracy and integrity; identified and corrected any errors.
- Collected and analyzed research data to create representative graphs and charts that highlighted results for presentations.

LANGUAGES

Fluent in English and Mandarin

Working knowledge of Japanese
